Rooms

Enjoy panoramic city and mountain range views from our comfortable and inviting 511 recently refurbished guest rooms. Decorated from contemporary western furnishings to authentic Japanese, our in-room facilities offer amenities such as High Speed Internet Access, 27-inch televisions, washlets, TV with movies on demand, PC jacks, international direct dialing phones and you can experience the celebrated "ahhhh" of The Sheraton Sweet Sleeper™ Bed.

We also offer 29 Junior suites, eight combined western and Japanese rooms, as well as regular twin, double, and triple rooms. Our two Signature Suites – The Ambassador and the Tokachi Mountain Suite – offer exclusivity and luxury. A room accessible to people with disabilities is also available.

With just the touch of a button, you are connected to our 24-hour guest service. Our Star Service associates are on hand to assist you with in-room dining, your laundry needs, or anything else you may require.

Connect with your friends or family using the High Speed Internet Access in the privacy and warmth of your room or lean back and enjoy a great movie with our 24-hour cinema channel.

Overview

Sheraton Sapporo Hotel is conveniently located in the largest city in Hokkaido, with direct access to the train, subway, highways, and bus terminals. Shin-Sapporo Station is a 2-minute walk from the hotel. Here you can enjoy the energy and excitement of the city along with the spaciousness and freedom of nature.

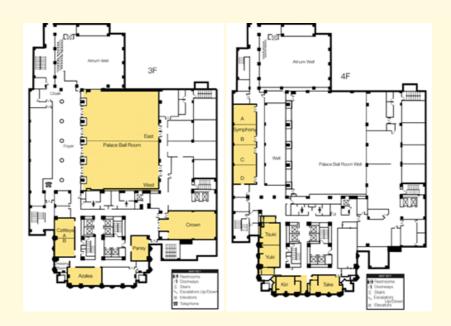

Features

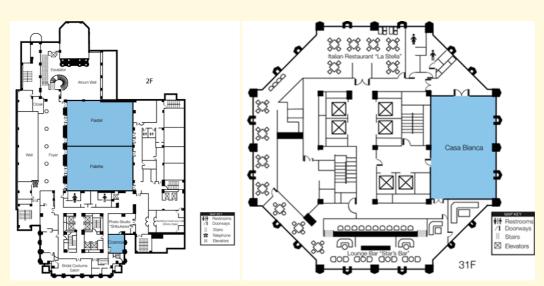

We thought of the little things (and big things) that will make you feel at ease.

Spa Alpa offers a variety of facilities and treatments to energize and nurture your body and free your mind.

Separate areas for males and females offer identical treatments including dry and steam saunas, baths, body washing, scrubs with special oils, aroma oil massage, specialized body and foot massage, and facials. All treatments are conducted by professionals and amenities including bathrobes, towels, skincare, and bathroom products are provided for your use. To maximize the health benefits to you, all air and water in the spa is Ozone purified.
