Sheraton Langkawi
Beach Resort - Nestled
amidst 38 acres of
spacious, lush tropical
surroundings with an
idyllic stretch of private
beach coves.

Rooms

When we created Sheraton Langkawi Beach Resort, we made sure we matched our beautiful surroundings with 238 equally stunning guest rooms, including 20 suites. Every room features full-length French doors that open onto private balconies—complete with day bed—perfect for soaking up the scenery in style. With its plush mattress and feather down pillows, you'll find the celebrated 'aaahhh' of The Sheraton Sweet Sleeper™ Bed in the rooms simply irresistible, and a welcoming comfort after a productive day of meetings or just basking in the sun. Our rooms are also thoughtfully designed with features such as High Speed Internet Access, dual-line phones and generous workspaces. Make yourself at home.

Superior rooms offer a traditional wooden interior, reminiscent of traditional Malaysian architecture. Superior and Garden rooms feature views of the resort's tropical gardens and surrounds. Partial Sea View rooms share the same amenities, but instead offer views towards the sea.

Sea facing rooms with Jacuzzis offer views of the Andaman Sea with a Jacuzzi bath tub in the bathroom whilst Sea Front rooms offer views over an area of private shaded sand with views of the ocean.

Overview

“Selamat Datang” – Welcome to Sheraton Langkawi Beach Resort. Located on the north western shore of Peninsular Malaysia, an ancient group of islands collectively known as Pulau Langkawi awaits you. Our resort is nestled amidst 38 acres of spacious, lush tropical surroundings with private beach coves. Whether you crave an exciting escape or a peaceful sanctuary – you will find it in Langkawi. The resort is just a short 10-minute car ride from Langkawi International Airport.

Features

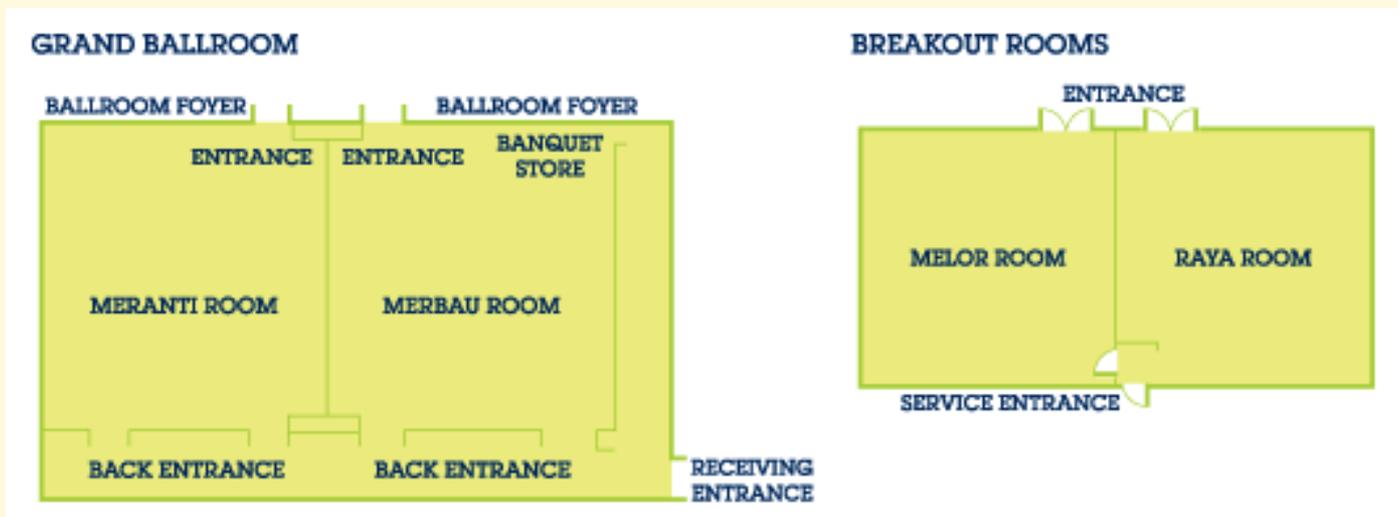

The Sheraton Langkawi Beach Resort provides a wide range of facilities and services, so that your stay with us is sure to be a pleasant and memorable one.

For those who appreciate the beauty of untamed nature, our resort is a dream come true. In line with the island's Geopark status, we have conserved the rocks around the resort as well as the natural vegetation, and left the coves, with their inviting nooks and crannies, in all their natural glory. You can enjoy the privacy of the beach coves or linger under the pleasant shade of the trees along the beach.
